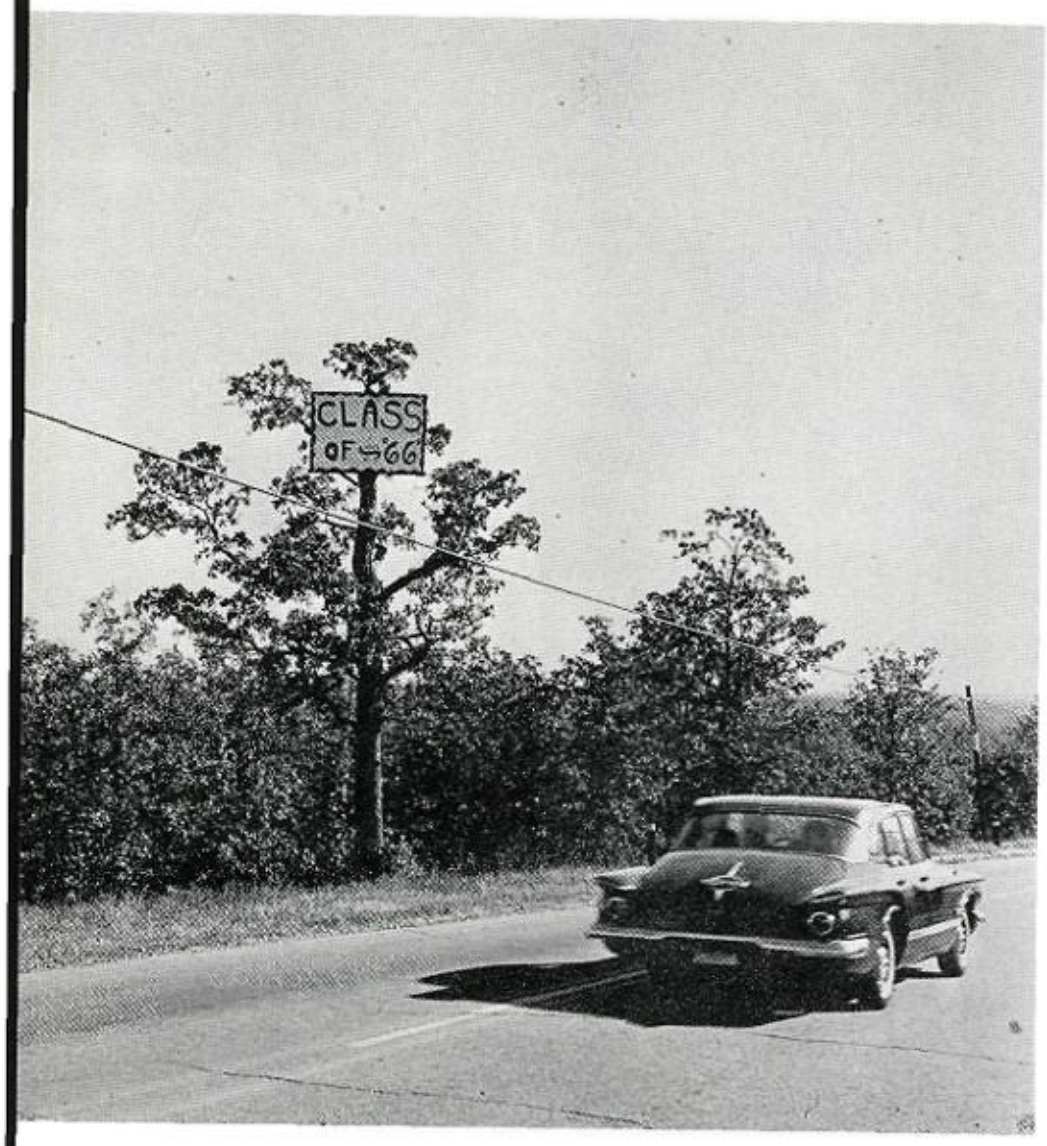
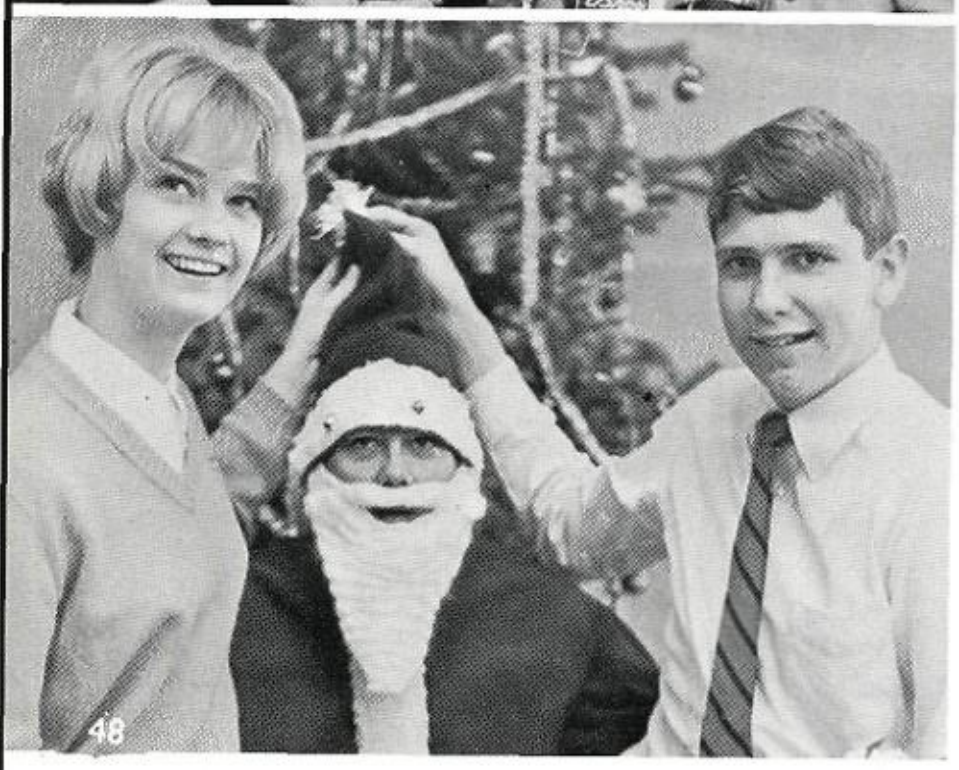
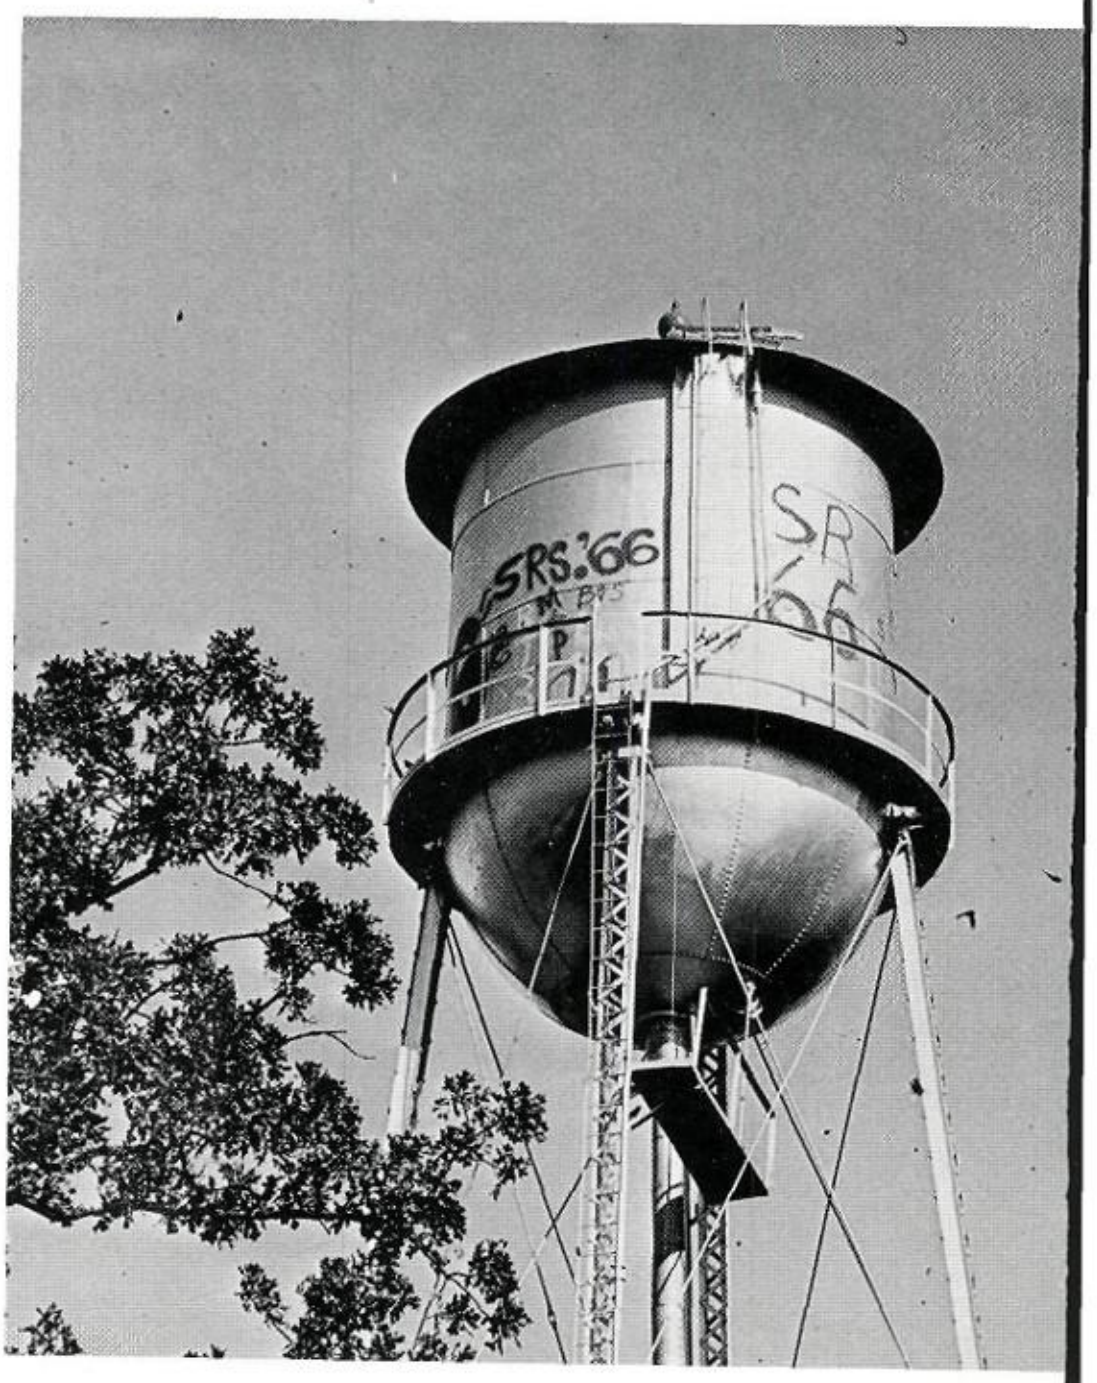
The Passing Scene



We pause for a second to reflect on the scene we are leaving. There are memories of friends, places and things... happy faces... work and play. All this made up a part of our lives. The record is written and we are proud. We will forever hold in our hearts fond memories of these wonderful years.





Deeper, deeper let us toil

In the mines of knowledge.

Sylvan Hills capped a fine season by winning the State Title at Taylor Field in Pine Bluff. The Bears were holders of a 13-6-2 record.

In the state tournament they roared through four straight wins, playing near perfect baseball, and flattening the states' most powerful teams in their drive to the championship. In the opening round they rolled over Junction City 8-5, nipped Paragould in the second round 5-4, and then moved past Greenwood 5-3, in the semifinals. Then came the pay-off as they edged Bay 2-1, in nine-inning heart-stopper to become the 1965 STATE CHAMPIONS.

The Bears gathered a lions share of the honors in having three men placed on the ALL-STATE TEAM: Floyd Marshall, Robert Jenkins, and Andy Duncan. In addition, Andy was voted as the tournament's best all-round player.

This is Sylvan Hills' first STATE CHAMPIONSHIP.

Mr. Bob Taylor

The A Cappella Choir is a group composed of some fifty senior high students. During the year we perform for a number of school activities, such as Christmas, Thanksgiving, and other special assemblies. Second semester we attend district and state competition held in various parts of the state each year.

Our goals are to establish and maintain an enjoyment of music in each student and, be a group of which Sylvan Hills can be proud.

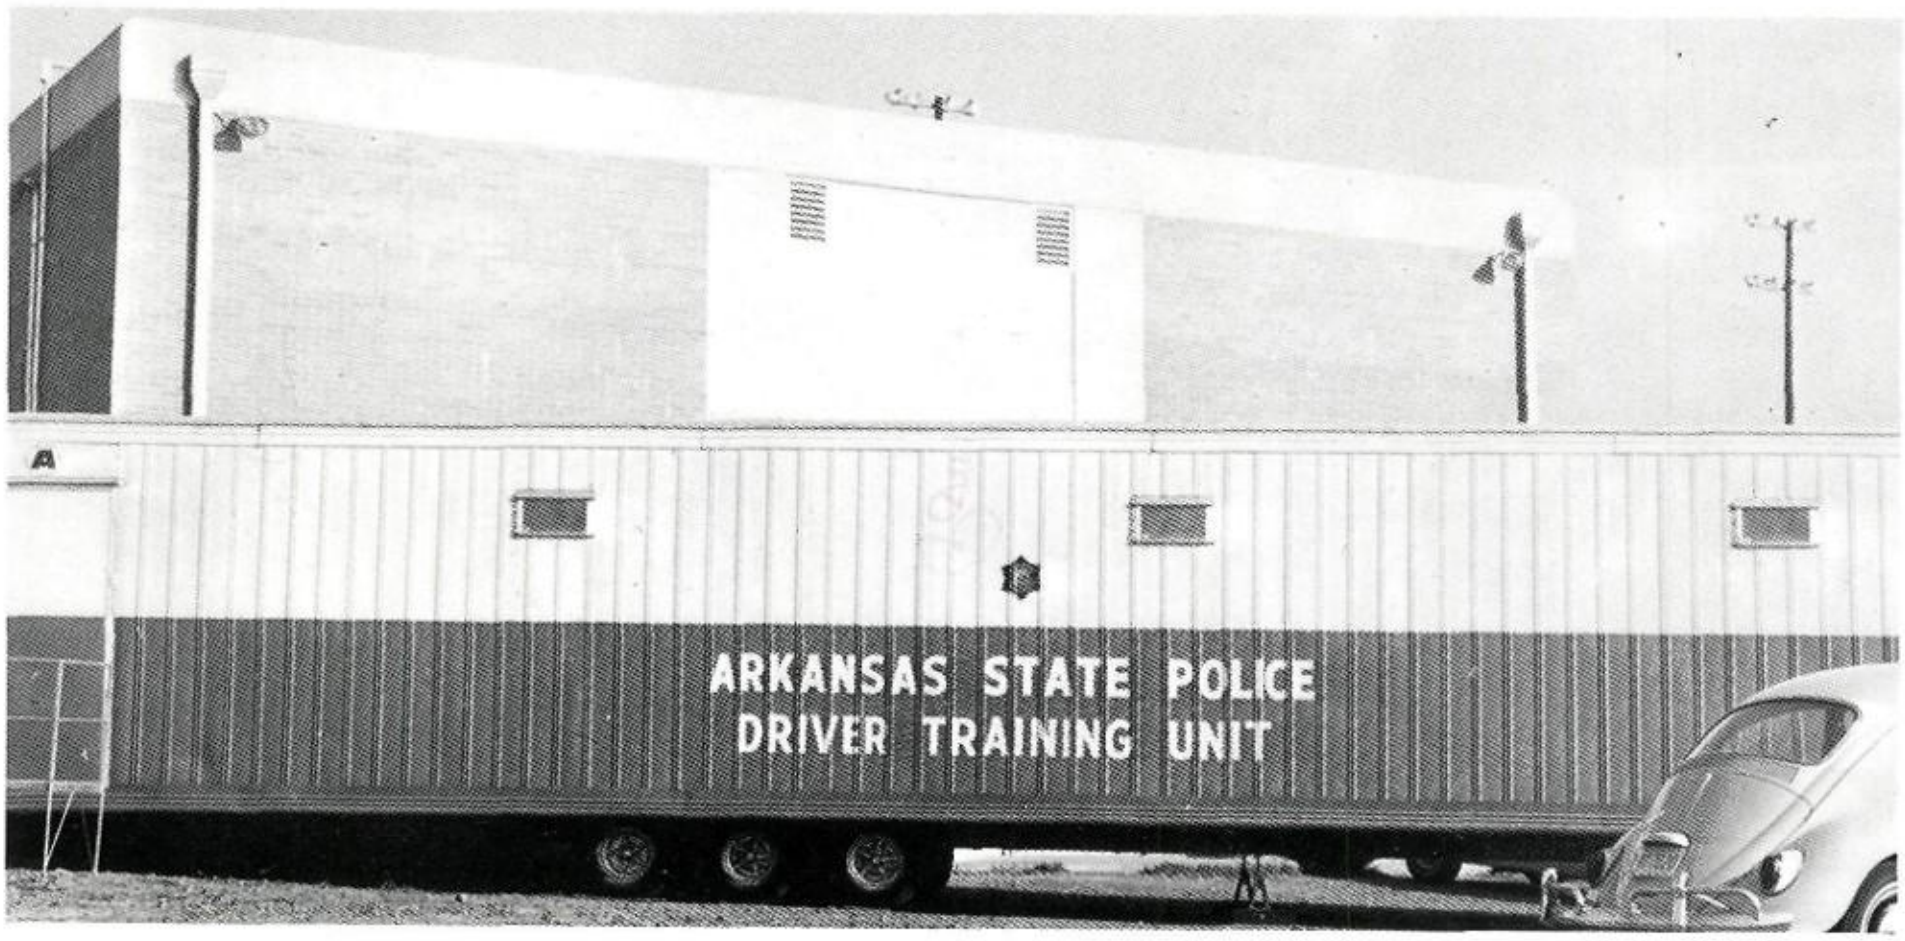
A New Course at Our High School



Drivers Education is a course designed to increase one's understanding of driving conditions on todays highways.

The instructor at Sylvan Hills is Coach Fred Eastin. The course is given for a semester with each student earning one half credit.

With the help of the Arkansas State Police Driver Training Unit the course was made, not only helpful, but interesting.

The Future Teachers of America have been busy, as well as honored, this year. A group of the members helped serve refreshments to the November meeting of the PCTA and to a faculty meeting honoring new teachers. Charlene Smith, President, talked at the October PTA meeting on the FTA. This spring they had the annual Teachers Appreciation Week. The FTA was honored by being chosen to be on the Publications Committee for the SAEA Report Card. There were four colleges and three high schools on the committee.

Sylvan Hills High School had three delegates to the 1965 Mid-South Conference held in Gulf-Park, Mississippi. These girls were chosen for outstanding individual merit in their Y-Teen associations.

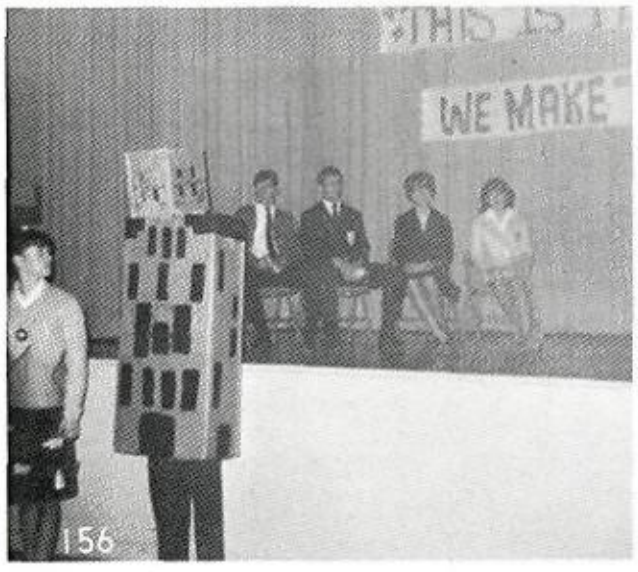
Y-teen Assembly: This Is the Year That Is!
We Make the Difference!



January 12, 1966, was the first Y-Teen sponsored assembly at SHHS. It was a great success as entertainment and as a meaningful interpretation of the theme: "This is the year that is! We make the difference!" There was a mock style show with boy models and a take-off on current fashions. Y-Teens President Vicki Crotzer was in charge of the assembly. The fashion moderators were Sharon Presson, Linda Lawson, and Cindy Jolly. The serious part of the program was carried out in the second part of the assembly. Gwyn Brinkly and Mike Reid, from North Little Rock High School, were speakers.

The officers of the club inducted the officers, sponsor, and members into the Beta Club at Oak Grove. They also presented a charter of the club to the school.

New members of the club were inducted for the 1966-67 school year. Mike Temple and Pat Phillips represented the club at the State Beta Club Convention in Little Rock, February 18 and 19. Hugh Spinks ran for Vice President at the convention.

The Spanish Club (Los Osos - the Bears) was organized several years ago to promote interest in this foreign language and in Spanish-speaking people. Club members correspond with foreign students and thus gain firsthand knowledge of their customs and peculiarities of the language. Social events which allow students to imitate similar functions of the Spaniards are scheduled throughout the year. In addition Los Osos members participate in all "inter-curricular" affairs, such as the Miss Sylvan Hills Contest.

What's Cooking in the Lab??

Want to hold the bottle for a while for me, Toni?

When it gets to 100 proof take it off the fire.

Now let me see, will it blow up if I put nitro-glycer-in in it?

You'd better check <u>that</u> formula!

The People Behind the Scene

Left to Right: Mrs. Emogene Brothers, Mrs. Jeanie Browning, Mrs. Ella Gangluff, Mrs. Kathleen Bryant, Mrs. Alberta Dawes.

These are the people who in the truest sense keep our school going. The ladies in the cafeteria prepare our meals and also make preparations for various banquets. The custodians are always busy keeping our school clean.

A Special Day for the Seniors

Why does our name have to be at the end of the alphabet?

Anytime tomorrow will be o.k. I've only waited twelve years.

I'm not sending this back no matter how it fits.

Is there something wrong with your hands?

 February 11, 1966 - A glorious day for any SENIOR

Lower Classmen, your day will come!

My! Mrs. Pollard, what an expensive birthday cake.

Mrs. Pollard and Mrs. Anderson working in their quiet, undisturbed domain.

Mrs. Jack (Virginia) Bare retired last fall after 22 years of service. She had served as manager over five schools. The co-workers of the school presented her with a gold watch. The presentation was made by Mr. E. F. Dunn, Superintendent of Schools, at a reception given by Mr. and Mrs. David F. Greenwood at the home of Mr. Reynolds.

Our Alma Mater

We salute your proud past. We have learned the meaning of loyalty. . the value of friendship... the glory of victories that triumph over past defeat. You have prepared us for the years to come . . . and it is with humility and gratitude that we resolve that our future achievements shall add honor to your name.

Autographs
